

# California Retired County Employees Association

Representing Over 180,000 California County Retirees

April 1, 2022

CRCEA Delegates, Members, Affiliates and Friends of County Retirees,  
'37 ACT Retirement Board Members and Administrators:

Please accept this invitation to join your fellow retirees at our first ever virtual CRCEA Spring Conference that will be held on May 1<sup>st</sup> and 2<sup>nd</sup>, 2022, hosted by the Retired Employees Association of Orange County (REAOC).

REAOC is very excited to host this first virtual conference and we anticipate that you will find this conference to be very exciting and the speakers to be educational and that they will provide very interesting material.

The speakers will include many exciting and innovative speakers that we know you will enjoy. They will share information about:

- Legislation and an update of the impact of Federal legislation related to pensions and Social Security
- Adjustments and turning points in our lives and how to deal with them to make the rest of our lives valuable,
- Artificial Intelligence
- Sleep and the impact of sleep
- A UCI speaker who will help attendees with anxiety through yoga and meditation

As is past practice at most of the CRCEA conferences, we will include the Round Table Discussion. This will provide time for each individual associations' delegate to highlight information and issues from their group. Time will be allotted for individual associations to present informational materials on local problem areas, requests for assistance, along with successful accomplishments that may be helpful to other associations .

Included with this letter, you will be receiving the Tentative Program giving you an idea of the topics and great speakers we will be enjoying at the Conference. Our hosts are also providing a virtual happy hour with entertainment that they are sure you will enjoy and, even though this is a virtual conference, there will still be raffles and gifts will be awarded!

The Business Session is an important segment of the Conference, with discussion from local associations as well as updates from all our Standing Committees. We will consider other business brought before the Delegates, who are the Board of Directors and the official voting body for CRCEA. It is important that every association be represented at the Conference, not only for the valuable information, but especially at the Business Session. Plan now to attend. Encourage your Retirement Board Officers, Directors and Delegates to join us.

---

---

We look forward to seeing you “virtually” in Orange County.

Sincerely,

E. F. "Skip" Murphy, President
